

The SPOTTED DOG

“ I started my career in hospitality in the Blue Ridge Mountains of North Carolina at the turn of the millennium and fell in love with the American way of service, food and enthusiasm of hospitality.

Food at The Spotted Dog is an homage to all the things that translate well from the Carolinas and neighbouring Southern States of the US to an English country pub. Enjoy the best of Americana- without the politics.”

MAINS

BBQ

Low'n'slow barbecue in the Carolinas is predominantly pork, but it wouldn't be a good smoker if it didn't have beef brisket in it. Our handmade reverse smoker maintains flavour, moisture and embraces the traditional cooking method. Cooked for between 6 and 14 hours, guaranteed tender.

SEAFOOD

Seafood from the Outer Banks of North Carolina on the East Coast is classic and simple - clambake is the perfect way to share food but we also embrace local day boats from Hastings and Rye with our fried fish. The Tuna may not be Kentish but it is plentiful off the coast of America.
